MEMORANDUM FOR: See Distribution

SUBJECT: U-2 Inventory

REFERENCE: IDEA-2678-65, 1 July 1965, same subject.

1. This memorandum shows the entire inventory of the U-2 fleet as it has changed from the original purchase of 55 aircraft to the present inventory level. The data is current as of this date according to the latest available information. As major changes occur, new memorandums will be prepared and distributed for the information of all concerned. The original inventory, subsequent losses and major configuration changes are indicated on separate pages.

2. Bearing in mind that only major capabilities should be shown, interested offices are requested to recommend additions to the current capabilities chart.

3. This paper supersedes reference noted above, which should be retired or destroyed.
